**Dear Valued Guest,**

Warm greetings from the hills yet again.

The sun is out and **Porcupine Castle Resort Coorg** is ready to welcome you to enjoy **#SummerInCoorg**. Just as the Covid-19 threat was beginning to retreat, it has raised its ugly head once again. Governments have issued new restrictions.

All guests arriving at **Porcupine Castle Resort Coorg** must possess and display a negative RT-PCR test. This is for the safety of all of us, and an assured holiday experience.

At **Porcupine Castle Resort Coorg**, we continue to adhere to the **New Normal** measures.

Masks are therefore required to be worn properly at all times, by maintaining 6-8 feet distance from others.

We also encourage you to have your own hand sanitizers with you and use them frequently (Alternatively, we have sanitiser points at various locations within the resort).

Guests are also advised to wash hands with soap regularly.

Welcome once again to the magical mountains of Coorg and have a wonderful summer!

Warm Regards,

**Staff and Management**

---
